To Whom it May Concern:

I am the editor of an investigative news publication in New Mexico. We are writing a story on an ethics complaint that was recently filed (#2024-040) about the fact that a large in-kind donation from the New Mexico House Republican Campaign Committee appeared on the most recent campaign report for Democrat Eliseo Alcon (House District 6), but there was no corresponding entry on the NMHRCCs finance report for the same period.

We'd like to include your comments in our upcoming story if you could please give us your thoughts on the following questions:

Does the Republican Party of New Mexico support or condemn the New Mexico House Republican Campaign Committee's action to donate to the campaign of a Democrat when there is a Republican in the race?

Thank you for your time.

Sincerely,

The Editor of the Estancia News
